

Why Donate to the Sheriff's Youth Academy?

The Cumberland County Sheriff's Office hosts the Sheriff's Youth Academy every year for Cumberland County Students from 4th - 12th grades. The Sheriff's Youth Academy serves as an exciting opportunity to educate students about law enforcement duties and the criminal justice system. The academy focuses on putting the students in the officer's shoes for the week. The students will perform traffic stops, participate in the S.W.A.T. team, crime scene investigations, defensive tactics, the court system, witness a K9 demonstration, a demonstration by the Cumberland County Medical Examiner, along with an OC spray and Taser demonstration. This is a countywide community outreach event that is spread out over the course of three weeks and separated by grade. The Sheriff's Youth Academy is completely funded by sponsorship.
